

SPS | GEORGIA STATE UNIVERSITY

Physics, Mathematics
Engineering, Technology

Academic Assistance

We have a group of experienced senior undergraduates available throughout the week to personally assist you with challenging physics problems.
(Tutoring available for PHYS 1111, 1112, 2211, and 2212)

Student Events

SPS is typically involved in several events throughout the year such as: Science Olympiad, Atlanta Science Festival, Atlanta Maker Faire, and many others.

who we are

The Society of Physics Students is an international organization designed for students interested in physics. With \$10 a semester you get access to our room on campus with amenities.
